Re: International Patent Application PCT/EP03/10842
G2M Cancer Drugs AG

It turned out that the first name of Mr. FARETTA (applicant and inventor; applicant for US only) is Mario and **not** Marco (as quoted in our PCT-Request).

It is requested to register Mr. Faretta's first name which is

Mario

and to confirm the registration **soonest** since the above-mentioned PCT-application has to be entered into the national/regional phases.

Dr. G. Kalhammer
